

# Expand BrochureStand

Bring your message to your target audience.

Set up the Expand BrochureStand by removing it from the nylon carry bag and pulling it up until the heavy duty magnets lock the display into place.

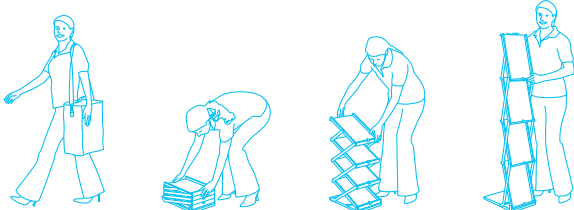

Simply load and transport your marketing materials within the display.

Shown above: The four pocket and five pocket versions along with a four pocket version and the optional banner stand kit.

### Expand BrochureStand

The Expand BrochureStand is a lightweight, collapsible literature holder. This unit is durable and comes in an easy-to-carry nylon bag. Its simple construction allows for the handouts to remain in the stand for simple

transport and set up. Each section will hold marketing material that is letter size (8 1/2" wide x 11" high) or legal size (8 1/2" wide x 14" high). Choose between a four section or five section version. With the optional banner stand kit, you can further enhance your message by integrating a single or double-sided graphic holder with your Expand BrochureStand.

Width:  
10 1/4" (26 cm)  
Height:  
54 3/4" & 68" (139 & 173 cm)
